This vehicle history report is based on information that was reported and available to CARFAX Canada as of June 05, 2023 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data

records every day. There may be other information about this vehicle that has not been reported to CARFAX

Canada. When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along

Recall

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed
